- \$19.99/month.

Account Management

Creating an Account

1. Visit the StreamPlus website or download the app.
2. Click 'Sign Up' and enter your basic information.
3. Choose a subscription plan.
4. Enter payment details to complete registration.

Managing Your Account

- Access account settings to update personal information and subscription details.
- Change or upgrade your plan at any time.

Cancelling Subscription

1. Navigate to 'Account Settings'.
2. Click 'Cancel Subscription'.
3. Confirm cancellation. Note that access continues until the end of the billing cycle.

Billing and Refunds

- Subscriptions renew automatically unless cancelled.
- Refunds may take 5-10 business days to process, depending on your bank.
- For billing issues or unauthorized charges, contact StreamPlus Support with your account ID and transaction details.

Technical Support

Common Issues

- **Buffering or Poor Quality:** Ensure a stable internet connection.
- **App Crashes:** Restart the app. If the problem persists, reinstall.
- **Connectivity Problems:** Check device compatibility and internet settings.

Troubleshooting

1. **Streaming Issues:** Restart your device and app, clear cache, or check your internet speed.
2. **Download Problems:** Ensure adequate storage space and retry.
3. **Subscription Errors:** Verify billing information and contact support with relevant details.

Customer Support

- Access 24/7 customer support via chat, email, or phone.
- Provide transaction numbers for billing inquiries.

Terms and Policies

- Review our [Terms of Service](#) and [Privacy Policy](#) for a complete understanding of your rights and responsibilities.

Thank you for choosing StreamPlus, where entertainment is limitless and conveniently at your fingertips.
