

StreamWave Plus Streaming Service

Documentation

Introduction

Welcome to StreamWave Plus, your go-to streaming service for the latest and greatest in entertainment. With our vast library of movies, TV shows, and exclusive content, you're sure to find something to love. StreamWave Plus offers high-definition streaming, personalized recommendations, and seamless integration across all your devices.

Account Management

Creating an Account

To create an account on StreamWave Plus: 1. Visit our website or download the app from your device's app store. 2. Click 'Sign Up' and fill in your personal information, including email and password. 3. Verify your email through the confirmation link sent to your inbox. 4. Log in with your new credentials to start your streaming journey.

Signing In

1. Go to the StreamWave Plus homepage or open the app.
2. Enter your registered email and password.
3. If you've forgotten your password, select 'Forgot Password' to receive a reset link.

Changing Email or Password

1. Log into your account and navigate to 'Account Settings'.
2. To change your email, select 'Change Email' and enter the new email address. A confirmation will be sent to your new email.
3. To change your password, choose 'Change Password', enter your current password followed by the new password twice, and save changes.

Subscription Details

Subscription Plans

StreamWave Plus offers three subscription tiers: - **Basic**: Standard content access and one device stream. - **Standard**: HD streaming and two devices simultaneously. - **Premium**: 4K UHD streaming and up to four simultaneous streams. To upgrade or downgrade, visit 'My Subscription' under 'Account Settings'.

Billing and Payments

1. Add or update your payment methods by selecting 'Payment Options' in your account.
2. Accepted payment methods include major credit cards and PayPal.

Devices and Compatibility

StreamWave Plus is available on: - Web browsers (latest versions of Chrome, Firefox, Safari, Edge) - Smartphones and tablets (iOS 12.0+ and Android 8.0+) - Smart TVs and streaming devices (Apple TV, Chromecast, Fire TV, Roku) Refer to the device setup guides on our website for detailed installation instructions.

Technical Usage Guide

Browsing and Streaming

1. Use the search bar or explore recommend sections to find content.
2. Click the play button to start streaming. Playback controls will appear at the bottom of the screen.
3. To save content to your watchlist, click 'Add to Watchlist'.

Streaming Features

1. Enable subtitles by clicking the 'CC' button during playback.

2. Adjust playback quality through 'Settings', choosing from SD, HD, or UHD levels based on network speed.

Troubleshooting Guide

Logging Issues

- Ensure your email and password are correct.
- Reset your password if necessary.
- If problems persist, clear your browser cache or update the app.

Double Billing

Contact customer support with your account details and transaction ID for immediate assistance.

Payment Update

If card update fails, verify card details and try again. Contact support if errors continue.

FAQs

- **How do I cancel my subscription?** Visit 'Account Settings' and select 'Cancel Subscription'.
- **Can I download content for offline viewing?** Yes, available on selected devices for Premium subscribers.

Support and Contact Information
