

StrideFlex Running Shoes Documentation

Overview

StrideFlex Running Shoes are meticulously designed for runners seeking comfort, durability, and performance. These shoes feature advanced cushioning technology and breathable materials, ideal for those aiming to maximize their running experience.

Design and Material

- **Upper:** Made from breathable mesh to ensure superior airflow, keeping your feet cool and dry.
- **Midsole:** Includes a proprietary foam that provides optimal cushioning and energy return with every step.
- **Outsole:** Engineered rubber outsole for enhanced grip and traction, designed to withstand various terrains.
- **Color Options:** Available in Black/White, Blue/Gray, and Red/Black.

Sizing Guide

- **Men:** US sizes 7-15
- **Women:** US sizes 5-12
- **Kids:** US sizes 11C-6Y
- **Tip:** Measure your foot at the end of the day when it is largest. Use our online sizing tool for accurate results.

Usage Instructions

1. **Breaking In:** Wear around the house for a few days to let the shoe mold to your foot.
2. **Running Routine:** Gradually increase your running distance to allow your body to adapt.
3. **Storage:** Store the shoes in a cool, dry place away from direct sunlight.

4. **Cleaning:** Hand wash with mild soap and water. Air dry thoroughly before storing.

Warranty Information

StrideFlex Running Shoes come with a 1-year warranty covering manufacturing defects. This does not include normal wear and tear or damages caused by improper use. To make a warranty claim, contact us with your proof of purchase.

Troubleshooting Tips

- **Discomfort:** Ensure correct sizing using our guide. Consider adding insoles for additional support.
- **Slippage:** Adjust laces for a snug fit. Consider using a runner's knot.
- **Noisy Outsole:** Check for trapped debris and remove carefully.

Customer Support
