Key Features

- **Breathable Mesh Upper:** Provides superior ventilation, keeping your feet cool and dry.
- **ErgoComfort Insole:** Customizes to the shape of your foot for personalized comfort.
- **Dynamic Lift Sole:** Enhances energy return, making every step more powerful.
- **Gripper Flex Outsole:** Offers top-tier traction adaptable to various terrains.

Available Sizes & Colors

The StrideMax Runner Pro is available in standard sizes from US 6 to 15, and comes in five dynamic colors: Midnight Blue, Flame Red, Quantum Silver, Eclipse Black, and Forest Green.

How to Use

Wearing Instructions

1. **Lacing Techniques:**

2. For high arches, consider a parallel lacing method to reduce pressure.
3. For flat feet, opt for a criss-cross lacing pattern to enhance support.
4. **Optimal Fit Adjustment:**
5. Ensure the heel is snugly locked while your toes have adequate wiggle room.

Care Instructions

- **Cleaning:** Hand wash with mild detergent. Avoid using abrasive brushes.
- **Drying:** Air dry at room temperature; do not expose directly to sunlight.
- **Storage:** Store in a cool, dry place. Utilize shoe trees to maintain shape.
