Combining state-of-the-art materials with innovative design, these shoes offer unmatched cushioning, breathability, and durability. Whether training for a marathon or enjoying a casual jog, StrideMax supports you every step of the way.

Features

- **Material:** High-quality mesh for breathability and flexibility.
- **Sole:** EVA foam for lightweight cushioning.
- **Arch Support:** Ergonomic design to enhance natural foot movement.
- **Color Options:** Available in red, black, blue, and white.
- **Sizes:** Ranging from US 6 to 13, including half sizes.

Usage Instructions

1. **Choosing the Right Size:** Refer to our sizing chart on the website for guidance based on foot length.
2. **Lacing Techniques:** Start by threading the laces through the bottom eyelets and adjust to desired tightness across the top of the foot.
3. **First-Time Wear:** Break in your new StrideMax shoes with short jogs to allow the material to conform to your feet.
4. **Care & Maintenance:** Clean with a damp cloth and mild soap. Allow air-drying to preserve the material integrity.

Styling Tips

- Pair your StrideMax Running Shoes with athletic wear for a perfect workout outfit.
- For a casual look, match them with jeans or shorts and a t-shirt.
