

StridePro Runner

Introduction

The StridePro Runner is designed for athletes and casual runners alike, offering an exceptional combination of comfort, durability, and performance. With advanced shock absorption and a breathable mesh upper, this shoe supports optimal foot alignment, minimizing the risk of injury.

Features

- **Breathable Mesh Upper:** Allows air circulation for maximum comfort.
- **Cushioned Sole:** Provides enhanced impact protection.
- **Slip-Resistant Outsole:** Ensures stability on various surfaces.
- **Reflective Accents:** Increase visibility in low light conditions.
- **Available Colors:** Midnight Blue, Electric Red, Forest Green.

Sizing and Fit

The StridePro Runner is known for its true-to-size fitting. For half sizes, consider sizing up for more comfort. A comprehensive size guide is available on our website to assist in finding your perfect fit.

Purchasing and Promo Information

- **Using Promo Codes:** Enter your promo code at checkout. Promo codes must meet order thresholds; ensure your cart meets these requirements before applying. For assistance, contact our support team.
- **Payment Options:** Accepts credit cards, PayPal, and gift cards.
- **Shipping:** Standard and expedited shipping options are available.

Usage Instructions

- **Cleaning:** Remove dirt with a damp cloth. Air dry only.
- **Lacing Tips:** Ensure even tension along the laces for optimum fit.
- **Storage:** Store in a cool, dry place away from direct sunlight.

Troubleshooting

- **App Issues:** If the app crashes while purchasing, clear the app's cache and ensure it is updated to the latest version.
- **Promo Code Not Working:** Verify the code's validity and check if order requirements are met.
- **Billing Errors:** Double charges can occur; contact support for immediate resolution.
