

Summit All-Weather Jacket Documentation

Product Overview:

The Summit All-Weather Jacket is a versatile outerwear solution designed for both urban and outdoor enthusiasts. Crafted from premium water-resistant nylon, it offers a blend of style and functionality, making it suitable for variable weather conditions.

Specifications:

- **Available Sizes:** XS, S, M, L, XL, XXL
- **Color Options:** Midnight Blue, Forest Green, Stone Grey
- **Materials:** Outer shell: 100% Nylon; Lining: 100% Polyester fleece
- **Weight:** Approximately 1.2 lbs
- **Temperature Range:** Comfortable in temperatures from -5°C to 15°C

Usage Instructions:

1. **Wearing the Jacket:**
2. Unzip the main zipper and slip your arms into the sleeves.
3. Adjust the waist toggles for a snug fit.
4. Fasten all zippers and Velcro cuffs to retain warmth.
5. **Adjusting the Hood:**
6. Use the drawstrings located at the front to tighten or loosen the hood based on preference and weather conditions.

Care Instructions:

- Machine wash in cold water on a gentle cycle.
- Do not bleach.
- Hang dry in a shaded area.
- Do not iron or dry clean.

Features and Benefits:

- **Water-Resistant Shell:** Keeps you dry during unexpected rain.
- **Insulated Fleece Lining:** Provides warmth without excess bulk.
- **Breathable Material:** Ensures comfort during extended wear.
- **Multiple Pockets:** Includes zippered pockets for secure storage of essentials.

Common Issues and Troubleshooting:

- **Sizing Issues:** Refer to the size chart for accurate measurements. Visit the website or contact support for exchanges.
- **Zipper Malfunctions:** Lubricate with a zipper wax or contact support for a replacement.
- **Wear and Tear:** Minor abrasions can be fixed with appropriate fabric repair kits.

Frequently Asked Questions:

- **Can I iron the jacket to remove wrinkles?** No, use a fabric steamer to gently remove wrinkles.
- **Is the jacket suitable for skiing trips?** The jacket provides adequate protection in temperatures up to -5°C but is advisable to layer for colder conditions.
- **What if the jacket is defective?** Contact customer support within 30 days for a warranty claim.
