

TaskMaster Mobile App Documentation

Introduction

TaskMaster is an intuitive task management application designed to help you organize and prioritize your daily tasks effectively. With features like reminders, collaboration tools, and cloud synchronization, TaskMaster is perfect for both professional and personal use.

Key Features

- **Task Creation and Management:** Easily create tasks with due dates, priorities, and labels.
- **Collaborative Tools:** Share tasks and projects with team members or family to accomplish mutual goals.
- **Notifications and Reminders:** Set reminders and receive notifications so you never miss a deadline.
- **Cross-Platform Synchronization:** Synchronizes seamlessly across all your devices leveraging cloud technology.
- **Intuitive User Interface:** User-friendly layout designed for efficiency and productivity.

User Interface Overview

- **Home Screen:** Displays upcoming tasks and a quick add task button.
- **Task Detail View:** Upon selecting a task, view all details such as deadlines, notes, and collaboration settings.
- **Menu Navigation:** Access different sections including projects, settings, and help.

Step-by-Step Usage Instructions

- **Creating a Task:** Navigate to the home screen and tap the 'Add Task' button. Enter the task name, set the deadline, add notes, and categorize it with labels.

- **Setting a Reminder:** Within a task, select 'Add Reminder' to choose the date and time.
- **Sharing Tasks:** In the task detail view, tap 'Share' and enter the email of the person you want to collaborate with.

Compatibility Information

- **Supported Devices:** TaskMaster is available for iOS (version 10 and above) and Android (version 6.0 and above).
- **Known Compatibility Issues:** Occasional glitches on Android version 6.0—a fix is in progress for the next update.

Troubleshooting Guide

- **App Crashing on Startup:**
 - Ensure the app is updated to the latest version.
 - Restart your device and relaunch the app.
 - Uninstall and reinstall the app from the App Store or Google Play.
- **Synchronization Issues:**
 - Verify your internet connection.
 - Log out and log back into your account.

FAQs

- **How do I reset my password?** Go to the login screen, select 'Forgot Password,' and follow the instructions sent to your email.
- **Can I use TaskMaster offline?** Yes, you can access and edit tasks offline. They will synchronize once you're back online.

Contact and Support Information

- **Email Support:** support@taskmasterapp.com
- **Phone Support:** 1-800-555-0199 (Mon-Fri, 9 AM to 5 PM PST)
