- **120Hz Refresh Rate:** For smooth scrolling and enhanced gaming experiences.

Connectivity

- **5G Support:** Enjoy faster download speeds and low latency.
- **Bluetooth 5.2:** Improved connectivity range and speed.

Troubleshooting

Screen Flickering

If the screen flickers: - Restart the device. - Check for software updates under 'Settings' > 'System'. - If unresolved, perform a soft reset by holding the power and volume down buttons.

Overheating

- Avoid using your phone under direct sunlight.
- Ensure no apps are inadvertently running in the background.
- Reduce screen brightness to conserve battery and prevent heating.

App Crashes

- Go to 'Settings' > 'Apps', select the app, and clear cache.
- Reinstall the app from the app store if crashing persists.

Support & Warranty

Customer Support

For additional assistance, contact TechPhantom Support via: - Email: support@techphantom.com - Phone: 1-800-555-0199 (Mon-Fri, 8 AM to 6 PM)
