

TechWeave Smart Jacket - Product Documentation

Overview

The TechWeave Smart Jacket represents the future of fashion, combining cutting-edge smart technology with classic style. Made from a lightweight, durable fabric blend, this jacket is designed for comfort and versatility. The TechWeave line offers users functional clothing solutions that merge the latest tech innovations, including temperature control and seamless device connectivity.

Features

- **Temperature Control:** Advanced heating and cooling pads for personalized comfort in varying climates.
- **Device Connectivity:** Bluetooth-enabled, allowing integration with smartphones for receiving notifications and controlling music.
- **Water Resistance:** Protects against light rain with a water-repellent coating.
- **Battery Life:** Long-lasting, rechargeable battery offering up to 12 hours of usage on a single charge.

Size and Fit

Available in XS, S, M, L, XL, XXL. The jacket features an adjustable fit with elasticated hems and a detachable hood.

Usage Instructions

1. **Charging:** Use the provided USB cable to charge the jacket. The charging port is located inside the left pocket.
2. **Power On/Off:** Press the power button located near the collar for 3 seconds.

3. **Temperature Adjustment:** Use the companion app to set desired temperatures, or manually adjust using buttons on the sleeve.
4. **Connectivity Setup:** Pair the jacket with your smartphone via Bluetooth through the TechWeave app.
5. **Cleaning:** Hand wash in cold water or use a gentle cycle. Do not tumble dry. Remove the battery before washing.

Troubleshooting

- **Jacket Doesn't Power On:** Ensure the battery is charged. If issues persist, perform a battery reset by disconnecting and reconnecting it.
- **Connectivity Issues:** Unpair and re-pair the device through the app. Check for firmware updates.
- **Temperature Control Malfunction:** Reset by turning off the jacket, waiting 30 seconds, then turning it back on.
