

The Livingston Luxe Leather Sofa

Product Overview

The Livingston Luxe Leather Sofa combines elegance and practicality, offering luxurious comfort with a touch of modern style. Crafted with top-grain leather, it boasts an exquisite appearance that seamlessly integrates into various interior designs. This three-seater sofa measures 90 inches in length, 38 inches in depth, and 34 inches in height, catering to spacious living rooms. The plush memory foam cushions provide optimal comfort while retaining their shape over time. The frame is constructed from high-quality hardwood, ensuring longevity and robustness.

Assembly Instructions

- 1. Unpack the Components:** Carefully remove the sofa components from the packaging. You should find the sofa body, two armrests, four legs, and all necessary screws and bolts.
- 2. Attach the Legs:** Using the provided Allen key, attach the legs to the sofa bottom by aligning the screws with the pre-drilled holes.
- 3. Install the Armrests:** Slide the armrests into the connector slots on each side of the sofa body, securing them with screws.
- 4. Secure the Backrest:** Align the backrest with the hooks on the sofa base, then press down firmly until it clicks into place.
- 5. Final Checks:** Ensure all components are tightly secured and the sofa is stable and level.

Care Instructions

- **Leather Maintenance:** Regularly clean with a damp cloth. For stains, use a mild soap solution. Avoid harsh chemicals.

- **Cushion Care:** Fluff the cushions regularly to maintain their shape. Vacuum periodically to remove dust.
- **Avoid Direct Sunlight:** Place the sofa away from direct sunlight to prevent fading and cracking.

Warranty Information

The Livingston Luxe Leather Sofa is covered by a 5-year warranty that includes structural and cushioning defects. To make a warranty claim, contact our support team, providing proof of purchase and a description of the defect.

Troubleshooting Guide

- **Loose Arms:** Ensure the connecting screws are tightly fastened.
- **Cushion Sagging:** Fluff and rotate the cushions regularly.
- **Squeaking Sounds:** Tighten all screws and check for loose fittings.
