

TravelConnect Mobile Plan Documentation

Product Overview

TravelConnect is designed for frequent travelers who need seamless connectivity both domestically and internationally. It offers a competitive range of data, voice, and text packages, ensuring you stay connected wherever you are.

Features

- **Unlimited Calls and Texts:** Make unlimited domestic calls and send unlimited texts.
- **International Roaming:** Access worldwide roaming with competitive rates.
- **Data Packages:** Choose from 5GB, 10GB, or Unlimited data options.
- **App Integration:** Manage your account easily through the TravelConnect app.

Setup and Activation

1. **Purchase your TravelConnect SIM card:** Available online or at authorized retailers.
2. **Insert the SIM:** Place it in your mobile device's SIM tray.
3. **Activate your Plan:** Dial *123# or use the TravelConnect app to activate your plan.
4. **Account Setup:** Register your account on the app or website using your phone number.

Usage Guidelines

- **Check Usage:** Dial #123*4# or use the app to monitor data, calls, and text usage.

- **Roaming Settings:** Before traveling, ensure roaming is enabled in your device settings and activate an international package via the app.
- **Add-ons:** Purchase extra data or roaming packages through your app or by visiting our website.

Billing and Payments

- **Monthly Billing Cycle:** Bills are generated every 30 days. You can view and pay your bill via the app.
- **Understanding Your Bill:** Detailed breakdowns of calls, data usage, and any additional charges.
- **Disputing a Charge:** Contact support via chat in the app or call customer service if there's a billing issue.

Troubleshooting and Support

- **Unexpected Charges:** Verify your usage on the app and reach out to support if you see discrepancies.
- **Network Issues:** Restart your device, check for network outages via our service status page.
- **Plan Changes:** To upgrade or downgrade your plan, use the app or call customer support.

FAQ

- **How do I configure international roaming?** Enable roaming in device settings and activate a package in the app before traveling.
- **Can I change my data package mid-cycle?** Yes, changes are effective within 24 hours.

Contact Information

- **Customer Support:** Dial 1-800-TRAVEL-C for assistance.
- **Email:** support@travelconnect.com
- **Live Chat:** Available in the TravelConnect app, 24/7.

We aim to provide seamless connectivity with TravelConnect, making your mobile experience smooth and trouble-free. For more detailed inquiries, please reach out to our support team using the contact methods listed above.
