

UrbanFlex Sneakers Product Documentation

Product Overview:

Welcome to the world of UrbanFlex Sneakers, a fusion of comfort, style, and innovation. Designed for urban adventurers, these sneakers offer unparalleled support and flexibility.

Key Features: - **Breathable Mesh Upper:** Keeps feet cool during long walks or intense workouts. - **Cushioning Insole:** Provides maximum comfort with memory foam technology. - **Durable Outsole:** Engineered for various terrains, ensuring grip and stability. - **Lightweight Design:** Perfect for city exploration without the bulk.

Getting Started: 1. **Choosing Your Size:** Refer to the size chart on our website. It's recommended to measure your foot length for optimal fit. 2. **Purchase Process:** Add the desired size and color to your cart, apply available promo codes, and proceed to checkout. 3. **Payment Methods:** We accept all major credit cards, PayPal, and other secure payment options.

Maintenance and Care: - To clean, use a damp cloth and mild soap. Avoid machine washing to maintain shape and material integrity. - Store in a cool, dry place. Use shoe trees to help retain shape.

Common Troubleshooting: - **Promo Code Issues:** Ensure codes are active and applicable to the sneaker model. - **Delayed Delivery:** Check tracking information sent to your email. For updates, contact our support team. - **Payment Failures:** Verify card details, ensure adequate funds, and check with your bank for any holds.

Exchanges and Returns: - If the size isn't right, exchanges can be made within 30 days of purchase. - Returns for wrong or damaged items can be processed via our returns portal; ensure items are unworn and in original packaging.

FAQs: 1. **What if my sneakers don't fit?** - Use our exchange service online to find the perfect fit. 2. **How can I track my order?** - You'll receive a tracking link via email after dispatch. 3. **Are there**

any discounts? - Sign up for our newsletter to receive information about promotions and discounts. 4. **How do I get notified of restocks?** - Use the 'Notify Me' option on the product page to get alerts.
