

VClean Turbo X10 Vacuum Cleaner Documentation

Introduction

Welcome to the VClean Turbo X10, an advanced cleaning companion designed for efficiency and performance. Engineered with a state-of-the-art HEPA filtration system and powerful suction modes, the Turbo X10 is perfect for homes with pets, allergies, and diverse cleaning needs.

Features and Specifications

- **Suction Power:** The Turbo X10 offers five adjustable suction modes, ranging from gentle cleaning to maximum power for deep carpet care.
- **HEPA Filter:** Equipped with a HEPA filter that captures 99.97% of particles as small as 0.3 microns, providing a cleaner and healthier home environment.
- **Noise Level:** Operates quietly at 65 decibels, allowing for flexible cleaning schedules at any time of day.
- **Battery Life:** Delivers up to 75 minutes of runtime on a single charge, with a quick recharging feature.
- **Accessories:** Includes multiple attachments such as a crevice tool, pet hair brush, and dusting brush for comprehensive cleaning.

Setup and Usage Instructions

1. Unboxing and Assembly:

2. Carefully unbox the VClean Turbo X10 and check that all components are present.
3. Attach the main wand to the body and snap on the desired cleaning tool.

4. Charging the Battery:

5. Connect the charger to the dedicated port and plug it into a power outlet.
6. Charge until the LED indicator displays a steady green light.
- 7. Operating the Vacuum:**
8. Press the power button and choose the required suction mode using the Mode Selector.
9. Move the vacuum over different surfaces for optimal cleaning.

Maintenance Tips

- **Filter Cleaning:**

- Remove the HEPA filter by opening the filter compartment.
- Rinse with lukewarm water and allow to air dry completely before reinserting.

- **Brush Maintenance:**

- Detach the cleaning brush and remove any entangled hair or debris.
- Use the cleaning tool provided to remove stubborn dust.

Troubleshooting

- **Low Suction Power:**

- Ensure the dust bin is empty and the filter is clean.
- Check for blockages in the hose or attachments.

- **Battery Not Charging:**

- Verify the charger is correctly connected.
- Inspect the charging port for any debris or damage.

Warranty and Support

- The VClean Turbo X10 comes with a 2-year limited warranty covering manufacturer defects.

- For assistance, contact our support team via email at support@vclean.com or phone at 1-800-555-0199.

FAQs

- **Can I use the Turbo X10 on hardwood floors?**

- Yes, it includes a specific mode for hard surfaces to prevent scratching.

- **Is the HEPA filter washable?**

- Yes, it's designed for easy cleaning and reuse.

Thank you for choosing VClean Turbo X10. We hope it brings exceptional cleaning power to your home!
