

WaveStream Internet Service Product Documentation

Introduction

Welcome to WaveStream Internet Service, your gateway to high-speed internet connectivity. This documentation will guide you through the features, setup, management, and troubleshooting aspects of our service.

1. Service Overview

WaveStream provides a variety of plans tailored to meet your needs, from basic Internet access to unlimited data plans. Enjoy seamless browsing, streaming, and gaming with speeds up to 1Gbps.

- **Basic Plan:** Up to 100Mbps, 500GB monthly data.
- **Premium Plan:** Up to 500Mbps, 1TB monthly data.
- **Unlimited Plan:** Up to 1Gbps, unlimited data.

2. Account Management

Manage your account effortlessly through our online portal: - **Login:** Use your customer ID and password. - **View Usage:** Monitor your data in real-time. - **Plan Modification:** Upgrade or downgrade instantly.

3. Billing and Payments

Ensuring transparent billing, WaveStream provides monthly invoices detailing each charge: - **View Invoice:** Access it in your portal under 'Billing'. - **Payment Methods:** Credit/Debit, PayPal, or direct bank transfer. - **Resolving Discrepancies:** Contact support with your account number for any unauthorized charges.

4. Data Usage Monitoring

Utilize our dedicated app: - **Download the WaveStream App:**
Available on iOS and Android. - **Usage Alerts:** Set custom notifications for data limits.

5. Troubleshooting Common Issues

- **Duplicate Charges:** Use the portal to review charges or call support.
- **Unreceived Invoices:** Check spam folders or verify email addresses in the portal.
- **Overcharges:** View usage breakdown and contact support for resolution.

6. Customer Support

Contact us 24/7: - **Phone:** 1-800-WAVESTREAM - **Email:**
support@wavestream.com - **Live Chat:** Available on our website.

7. Special Offers and Upgrades

Explore additional services: - **Streaming Subscription Discounts:**
Bundled with specific plans. - **Loyalty Reward Program:** Points for every billing cycle paid.

8. Legal and Privacy Information

Review our Terms of Use and Privacy Policy online to understand your rights and data protection measures.

Conclusion

WaveStream is committed to providing you with reliable and affordable internet solutions. For more information or assistance, visit our website or contact our support team.
